### A LITTLE ABOUT ME

Hi!! I am Tess and I am from Dana Point, CA. At my school I run cross country and track. I did gymnastics for 10 years, and I now coach at the gym I used to go to. My favorite things to do are bake, hang out with friends, and go to the beach.

### FUN FACTS

1. I LOVE cookies
2. I have 3 siblings
3. I have been to 6 countries
4. My favorite color is pink
5. Math is my favorite subject

### WHY I WANT TO BE MORE GLOBALLY MINDED

I want to be more globally minded to get a wider perspective on the world. By learning about issues in places other than where I live and telling other people about them and helping women throughout the world to learn about leadership skills I think the world could become a slightly better place.

### A LITTLE ABOUT ME

Hi! I'm Sydni and I'm from Orange County, CA. The beach is my happy place and I couldn't be more blessed to live where I do. I love spending time with friends, family, and my black lab when I'm not doing schoolwork or my job. I work at my old gymnastics gym and coach girls ages 3-14. I also cheer at my high school, do track, surf, and do tumbling.

### FUN FACTS

1. I've done 10 sports in my life
2. I have a little brother
3. My favorite foods are spaghetti and anything chocolate
4. My favorite colors are pink and yellow
5. I have a dog

### WHY I WANT TO BE MORE GLOBALLY MINDED

I want to become involved with girls from places other than my community and find out differences and similarities between us. Women are so powerful and by coming together we can become even stronger and learn from one another. It is so important to me to be aware of people's lives and events, and with our club, we can do this, and help others become the leaders they want to be, while also developing our own leadership skills.

### A LITTLE ABOUT ME

Hi I'm Danielle!! I've lived in Orange County, CA for my whole life, but I love to travel. I'm always wanting to try new adventures and love to be outdoors. I'm a varsity cheerleader at Dana Hills and am enrolled in honors and AP classes. I have two older sisters, and just love spending time with my family. When I'm not at school, I'm either spending time with friends, hanging out at the beach, going to the gym or yoga class, or doing something fun to entertain myself.

### FUN FACTS

1. I don't have an eardrum in my lady ear and I have a pink hearing aid.
2. I love pickles.
3. I try to go to yoga class once every other week.

### WHY I WANT TO BE MORE GLOBALLY MINDED

I want to be more globally minded so I can have more knowledge about other girls around the world. We are in such a little bubble in the area we live, and I want to have the opportunity to be more in touch with other places. Also, I want to be able to help girls become leaders.

### A LITTLE ABOUT ME

Hi I'm Katie! I am from Dana Point, which is a town in Orange County. Some things I love doing are going to the beach and spending time with my friends. I am a cheerleader at Dana Hills highschool which I love because I get to spend so much time with people I love being around and being challenged to do new things. I also work as a gymnastics coach. As much as I love learning new things I love teaching them.

### FUN FACTS

1. I have a deviated septum which allows me to whistle out of my nose
2. I have moved to different houses in the same town 14 times
3. I have two older brothers

### WHY I WANT TO BE MORE GLOBALLY MINDED

I want to be more globally minded because I don't learn a lot about current issues outside of the United States at school or just in general. Understanding what's going on around the world is really important to me because I feel as though if we don't have at least a grasp on what's going on outside of our country then we continue to live inside a little bubble where we think that everything is okay.

## Club Marketing and Social Media Manager

**Age:** 16 years old

**Grade:** 11th grade (Junior)

**School:** Dana Hills High School

### A LITTLE ABOUT ME

Hi! I'm Liza Charles and I am a junior at Dana Hills High School. I live in Orange County, CA and I love going to the beach, cheerleading, and spending time with my friends. My favorite class in school is Sports Medicine because I love learning about anatomy, the healing process, and skills like taping and spine boarding.

### FUN FACTS

- I love watching football/baseball/basketball/hockey
- I currently want to work as a nurse in a hospital setting.
- My favorite color is blue.
- I have two older sisters.
- I can do a backflip.

### WHY I WANT TO BE MORE GLOBALLY MINDED

I want to become more globally minded because I feel uneducated on many issues occurring around the world that I do not know much about. Global issues are not talked about often, especially while living in the Orange County "bubble" and I believe our club can educate peers at our school.
